Good style

Fairy tale style

By teaming a shaming, full satin skirt with the finest in casual knitwear, this key party piece won't have to stay in the wardrobe this season. Okay, the skirt is a bit extravagant, but it is fun and festive. Pop it on and you shall go to the ball (even if the party is in your own living room).

Jumper: £95, 44 Cofco & Co.
Skirt: £195, 8-16, Random. Earrings:
£145, Sora Jewellery. Shoes: £179,
2-8, Kurt Geiger

Make it special...

High-low styling is the oldest fashion trick in the book - dressing up your casual, off-duty wardrobe with a touch of sparkle and some full-on glamour. And this Christmas, it feels like just the right amount of bling!
