

Ice Tank WC2

ICE TANK is a photographic studio and venue in the heart of Covent Garden. 2500 sq ft space spread over two levels with 12 x 12ft door access into the main area of the studio. Amenities include 6 foot wide street level entry doors, the largest infinity cove in London, wi-fi, 89 inch smart TV, two plasma screens, an HD projector and even a fire place. The professional HD/AV equipment is ideal for film shows and presentations or a bespoke way to brand the space. The ground floor has a purpose built luxury kitchen with a gigantic skylight and modern appliances throughout. The lower ground floor has a cloak room, 2 bathrooms and a 2nd smaller kitchen with a separate space for caterers to set up. The studio boasts 20ft high ceiling throughout the ground floor and large wall-to-floor glass windows for ample natural lighting; this offers an uncompromising daylight that illuminates the entire space, ideal for both photography and film
