

Scandi Cottage HP18

Scandi minimalism with a peppering of English eccentricity! An airy, modern, Nordic-inspired living space, complete with a white clapboard, self-contained Scandinavian summer house in the pretty country garden. The main house has three double bedrooms, two bathrooms, a large open-plan kitchen/dining/living space and a “man cave”/office/gym. The two-storey summer house, situated at the top of the driveway, has one double bedroom, with an en suite, and an open-plan kitchen/dining/living space. The décor is Scandinavian-inspired - clean lines, muted colour palettes, mid-century modern furniture, quirky pendant lights, wood panelling, and thick wool and fur throws, along with Scandinavia's quirky, rock'n'roll aesthetic, hence the walls lined with Bowie portraits, Terry O'Neill shots and fun slogan prints.

The very popular local cafe in the next village can arrange catering if needed. Based in HP18 Buckinghamshire, less than an hour from London.
