

## The Driver N1

A public house in Kings Cross The ground floor is a drinking and dining area with open fire places, reclaimed original British pub furniture and a large elm bar dominating the space . The second floor boasts a luxury lounge area complete with DJ booth, moveable furniture and original brick work. The first floor offers light, elegant and airy space that houses a sleek restaurant that easily transforms into a dance floor. The modern interior gives spectacular views of the vertical garden. Third floor caters is a contemporary loft-style intimate space of eclectic furniture such as original 70's carnival Waltser chairs. The city lies sprawled out in front of you through the large plantation shutter clad windows.
