**TRICK 2**  
DRY SHAMPOO

"I have fairly short, bouncy hair that just can't resist the idea of anything to do with it," Maria, 35, Paris.

"One easy way to transform short hair is to give it lots of extra bounce and add some pretty hair accessories," says Maria.

"That's how I do it: a really bouncy style, by adding some dry shampoo, which makes it look shiny, textured and makes your hair pop."

**HOW TO DO IT:**

- 1 Prep damp hair with a volumizing spray, like *Ultimate Volumizer* by L'Oréal Paris (£11.95). Avoid moisture as it can make fine hair weigh like, says Maria.
- 2 Blow-dry using a large round brush, lifting the hair vertically and directing the air at the roots to give lots of volume.
- 3 Shake dry shampoo, such as *Shampooing Moussant* from L'Oréal Paris (£5.95), into your palms and rub it into your roots. Use your hands to push and scrunch your hair into place, lifting it higher.
- 4 Haphazardly add some *Clair's Hair Oil* (£5.95) to cream the hair, finish by making your style with hair spray.

**HAIR'S MAKEUP NOTE:** Don't be afraid to use your imagination. Maria has had a lot of fun with her hair, from a short bob to a long, wavy style. She's also had a lot of fun with her hair accessories, from a headband to a headscarf.

**TRICK 3**  
A HALF-UP HALF-DOWN DO

"My hair is really long and extremely soft, so I don't want to spend hours creating a really fancy do," Jane, 35, London.

"The half-up, half-down style has a lot of options. You can make it look like a half-up, half-down, or a half-up, half-down, or a half-up, half-down," says Jane.

"The most important thing is to make sure you're pulling at the hair just right."

**HOW TO DO IT:**

- 1 Prep damp hair with a heat-protecting cream that helps reduce frizz, such as *Frizz Control* by L'Oréal Paris (£11.95).
- 2 Blow-dry hair straight, using a round brush, directing the nozzle down the hair to reduce frizz.
- 3 Section off the top half of the hair by running your thumbs from the top of your ears to the center of the back of the head, creating a loose ponytail, and tie with a hair band. Take a small amount of hair from the ponytail, wind it around the band to conceal it, and pin underneath with a clip.
- 4 Using large barrel tongs, such as *Large Barrel Tongs* by L'Oréal Paris (£11.95), add large sections of loose hair to create a voluminous look.
- 5 Tuck your hair up and pin it with a hair band.
- 6 Tuck your hair up and pin it with a hair band.

**HAIR'S MAKEUP NOTE:** To make this look even more glamorous, Jane has added some gold hair accessories, like a headband and a headscarf. She's also had a lot of fun with her hair accessories, from a headband to a headscarf.
