TRICK 2
DRY SHAMPOO

"I have fairly short, bouncy hair that just can't resist the art of anything for as with it." **Blaise, 25, Paris**

"One easy way to transform short hair is to give it lots of extra bounce and add some pretty hair accessories," says Blaise. "That's how I do it: a really bouncy style, by adding some dry shampoo, which makes it look really bouncy and adds that extra pop."

HOW TO DO IT:

- 1 Prep damp hair with a volumizing spray, like **Urban Performance Volumizing Mousse**, £11.95. Avoid moisture as it can make fine hair weigh like, says Blaise.
- 2 Blow-dry using a large round brush, lifting the hair vertically and directing the air at the roots to give lots of volume.
- 3 Shake dry shampoo, such as **Schwarzkopf Root Touch-Up**, £10.95, into your palms and rub it into your roots. Use your hands to push and scrunch your hair into place, lifting it higher.
- 4 Haphazardly add some **Cherry Bomb**, £5.95, to cream the hair, finish by making your style with hair spray.

HAIR'S MAKEUP NOTE: Blaise is asked to use just one hair accessory. She's been told to use a **Clash of Colors** hair spray for £10.95. She's also told to use a **Clash of Colors** hair spray for £10.95. She's also told to use a **Clash of Colors** hair spray for £10.95.

TRICK 3
A HALF-UP HALF-DOWN DO

"My hair is really long and extremely soft, so I don't want to spend hours creating a really fancy do." **Lara, 25, London**

"The half-up, half-down style has a lot of options. You can use a lot of hair ties, or you can use a lot of hair ties," says Lara. "The most important thing is to make sure you're pulling at the hair just."

HOW TO DO IT:

- 1 Prep damp hair with a heat-protecting cream that helps reduce frizz, such as **Paula's Choice**, £11.95.
- 2 Blow-dry hair straight, using a round brush, directing the nozzle down the hair to reduce frizz.
- 3 Section off the top half of the hair by running your thumbs from the top of your ears to the center of the back of the head, creating a loose ponytail, and tie with a hair tie. Take a small amount of hair from the ponytail, wind it around the base to conceal it, and pin underneath with a clip.
- 4 Using large barrel tongs, such as **Paula's Choice**, £11.95, add large sections of loose hair to create wavy sections.
- 5 Toss your hair and mist with **Urban Performance**, £11.95.

HAIR'S MAKEUP NOTE: To create this look, Lara uses a **Clash of Colors** hair spray for £10.95. She's also told to use a **Clash of Colors** hair spray for £10.95. She's also told to use a **Clash of Colors** hair spray for £10.95.
