DIOR

Moore suggests Dior New Look Mascara to strengthen the look for an even skin tone and more supple-looking skin, try Capture Totale One Essential for some drama to the hair, try Eyeliner Fluid in Black and then add Dior Addict Extreme Lip Colour in Frenchie 206 for a laser-bolt lip - all at www.dior.com/beauty. Red silk was cut by James Lock and Co. Gold earrings by Moschino priced on request. Make silk look by Folie, model also wears Viktor & Rolf Flowerbomb 50ml at Harrod's. She says "I love that it smells floral, but in a sophisticated way."
