I is for...
In the thick of it

Black, chunky-soled sandals have been around for a few seasons, so the chances are you already have a pair in your wardrobe. The way to wear them this year? With a sleek off-white blazer and a flowing sheer skirt. Warmest weather is just around the corner, after all.

Artist's impression

Show off your creative side with painterly prints and little offbeat details such as corset belts that look like works of art. Anything but ordinary.
