SEEING IS BELIEVING

Wavy lines and soft shapes subvert expectations. René Magritte and other surrealists working in the aftermath of World War I were obsessed by the eye as a motif. They believed it to be a portal between the inner, subjective self and the external world.

Wavy chairs: Oculus London; covered in Damasco Gypsum in Acqua, Rubelli. Work From Home desk: Six Dots Design. Ube stool, Jean-Marie Massaud for Poliform

On model: Dress, Valentino. Hat, Rafa Peinador. Gloves (on arms), Paula Rowan. Embellishment (on finger), make-up artist's own. Shoes, Giuseppe Zanotti

STATE OF PLAY

Interesting interior spaces challenge norms and expectations, and in doing so transform the recognisable into the unfamiliar.

Augustine console, Arteriors. Roman - Linear sculptural vessel by Kelly Jessiman at McCully & Crane

On model: Dress, Uma Wang. Earring and necklace (worn as bracelet), both Alexis Bittar. Shoes, Christian Louboutin
