GLATTER SIEG
Ein makelloser Teint und weiße Zähne gelten als Erfolgsgaranten. Gegen unerwünschte Härchen, etwa über dem Mund oder an den Wangen, wirken die feinschmiegeligen Pads von Rapidepi Vogue, die von einem Pariser Dermatologen entwickelt wurden. Mit perfekt geschwungenen Augenbrauen lässt sich ein Mini-Lifting-Effekt erzielen. Tipp: Die Härchen von unten in Form zupfen. Für ein strahlendes Lächeln: die schämeend bleibende Zahncreme „Beverly Hills Formula“ für sensible Zähne. Auf diesen und den verligten & Seiten: Frisuren von Asabi für Blunt, Makeup: Liz Martins für Naked, Maniküre: Annika Fullerton. „Wo zu kaufen“: ab Seite 258.

AUFKLÄRUNG

Saubere Haut ist die Basis jeder Pflege. Eve Loms Reinigungs- und Peeling-Produkt „Cleansing Cream“, das auf vier aromatischen Ölen basiert und mit einem speziell gewebten Tuch abgenommen wird, hat inzwischen Kultstatus erreicht. Zu den Fans gehören u. a. Cate Blanchett, Madonna und Gwyneth Paltrow.
