Ashley Smith vous a conquis, sa fraîcheur new entré, c'est une fille libre, naturelle, spontanée. Avec sa petite tette, son parcours un peu atypique. Ashley ne rentre pas dans le moule des reines de podiums, pour la plupart interchangeables. Une vraie personnalité, une vraie humeur, bref, un tempérament. Sans reprendre des clichés de bombe latine, elle affiche une silhouette curvy absolument vertigineuse. Une féminité réinventée, mais jamais bien. C'est très trendy et éditorialement Oooh !

Rock, cinéma, télévisé, Ashley Smith ne voit pas la vie par le prisme étroit de la mode. La Lifestyle attitude, c'est tout un art. Garder sa curiosité... et talent.

WINTER'S
R O S E

Outshining all other roses, not makes an impassionate connection like a past lover
knocking down your door. Demanding attention and the leading role, play with
pamperation and shading to create up power and untold beauty.
