

Church House - Ashford

The 5 bed roomed house dates from the 16th Century, it was then aggrandised in the mid-18th century. The juxtaposition of the two periods creates a home of real charm and style, with elegant tall ceilings contrasting with the cosy rooms of the rear portion. The 1.8 acre grounds boast a large derelict greenhouse, hard tennis court, outbuildings and a pond. There is ample parking on site.

Church House - Ashford

The 5 bedroomed house dates from the 16th Century, it was then aggrandised in the mid-18th century. The juxtaposition of the two periods creates a home of real charm and style, with elegant tall ceilings contrasting with the cosy rooms of the rear portion. The 1.8 acre grounds boast a large derelict greenhouse, hard tennis court, outbuildings and a pond. There is ample parking on site.

Church House - Ashford

The 5 bedroomed house dates from the 16th Century, it was then aggrandised in the mid-18th century. The juxtaposition of the two periods creates a home of real charm and style, with elegant tall ceilings contrasting with the cosy rooms of the rear portion. The 1.8 acre grounds boast a large derelict greenhouse, hard tennis court, outbuildings and a pond. There is ample parking on site.
