

Heron House St Albans

Heron House is a Grade II listed detached Georgian House in St Albans (dating from 1760-1840) which has recently been extensively refurbished to showcase a contemporary interior including a sleek Bulthaub kitchen. The interior features high ceilings, modern decor, and plenty of space. The house has a good flow; most rooms can be accessed via a minimum of 2 doors. There is a separate studio annex, complete with kitchen and bathroom which can be used as a base/rest area or second location. It is in a prime location in Hertfordshire close to the M25 and with 20 minute train links to London. The property is private and not overlooked. It is situated at the entrance to a 100-acre park. There is parking for 6+ cars on site.

Heron House St Albans

Heron House is a Grade II listed detached Georgian House in St Albans (dating from 1730-1840), which has recently been extensively refurbished to showcase a contemporary interior including a sleek Bulthaub kitchen. The interior features high ceilings, modern decor, and plenty of space. The house has a good flow; most rooms can be accessed via a minimum of 2 doors. There is a separate studio annex, complete with kitchen and bathroom which can be used as a base/rest area or second location. It is in a prime location in Hertfordshire close to the M25 and with 20 minute train links to London. The property is private and not overlooked. It is
