

Modernist Loft SE11

This amazing converted warehouse loft has a massive pitched roof and tropical atrium, all in the heart of London. Décor is modernist and the loft is super spacious at 3000 sq.ft. It features oak wood floors, white walls, contemporary art, modernist furniture and exposed beams. There is an office area that is perfect for a production set-up, an open plan seating area and an oversize bathroom ideal for a make-up room. The kitchen is very simple; a white island and a big Gaggenau fridge which has been used successfully for culinary shoots in the past. Owned by lovely photographers who are happy to provide black-out material if required for window areas and a fast floor-based G5 Apple. Plenty of great cafes nearby for catering.
